

“Cultural Issues in Assessment”

Susan Auger
April 30, 2007

Attended: 13

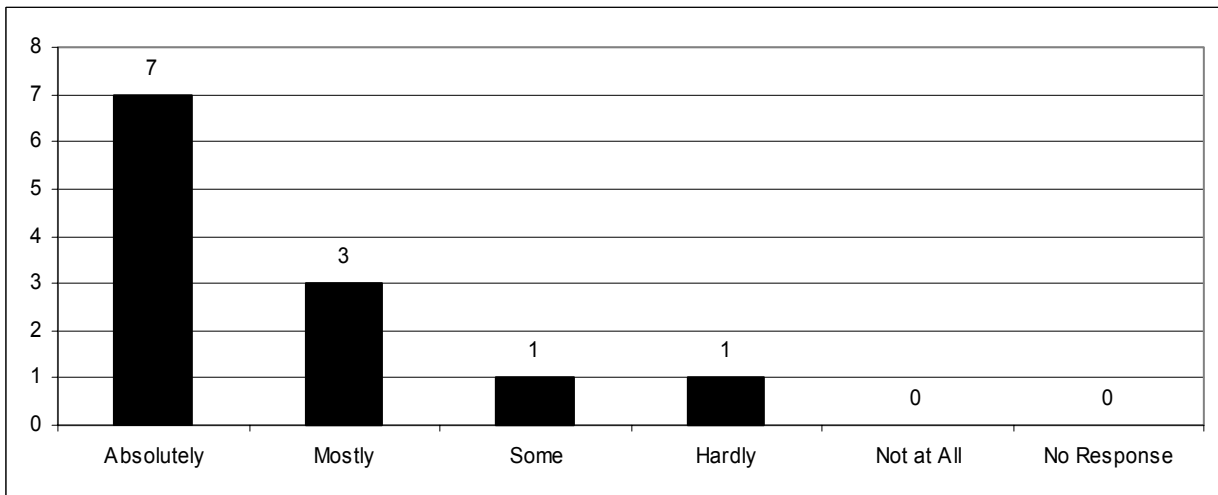

Number of Evaluations: 12

Summary of Individual Workshop Evaluations

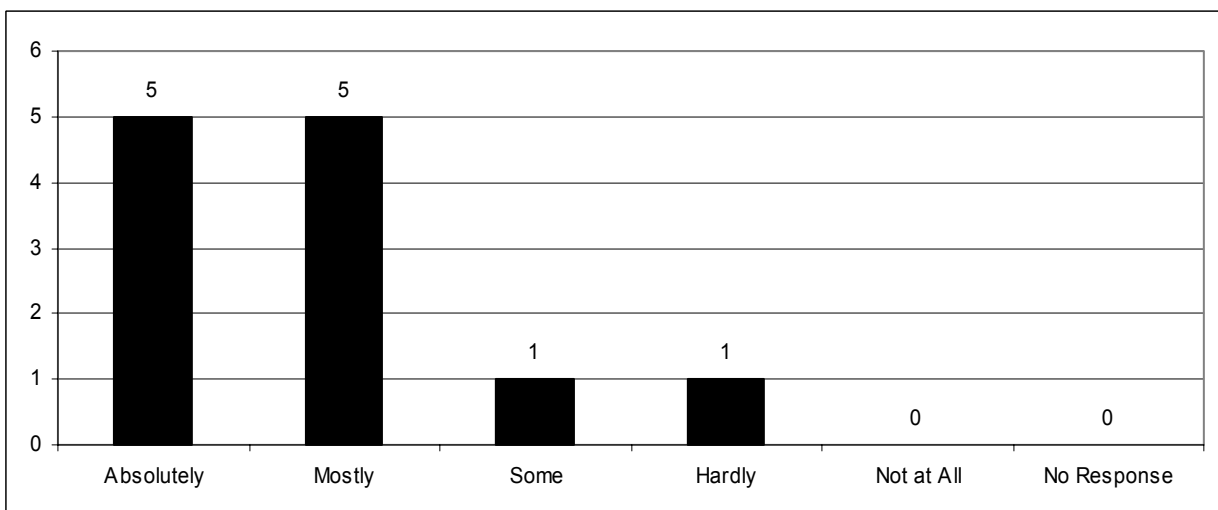

Training Objectives:

Participants will:

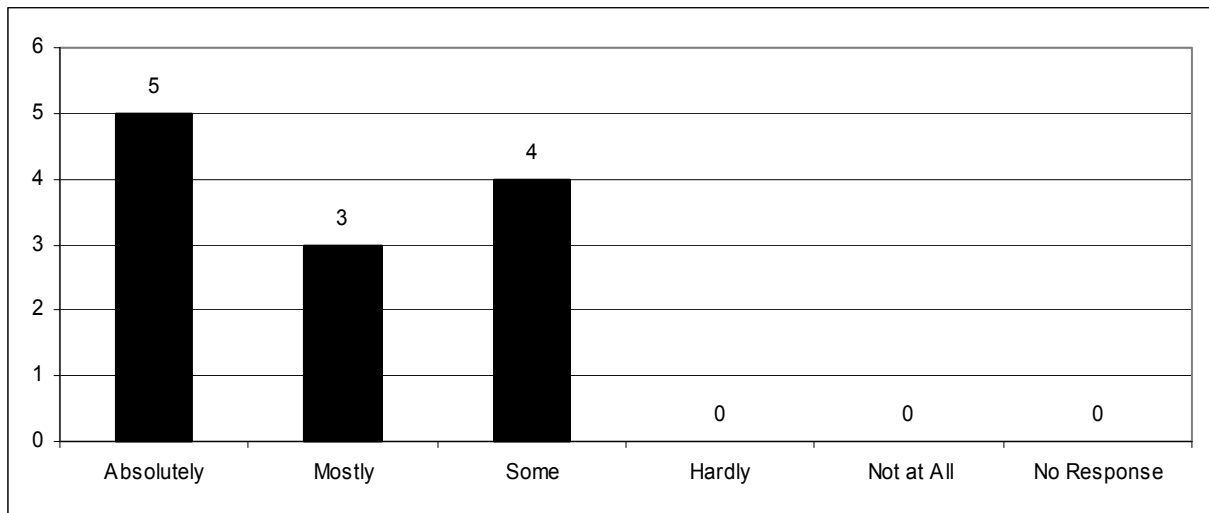

1. Discuss the role of perceptions in communication.

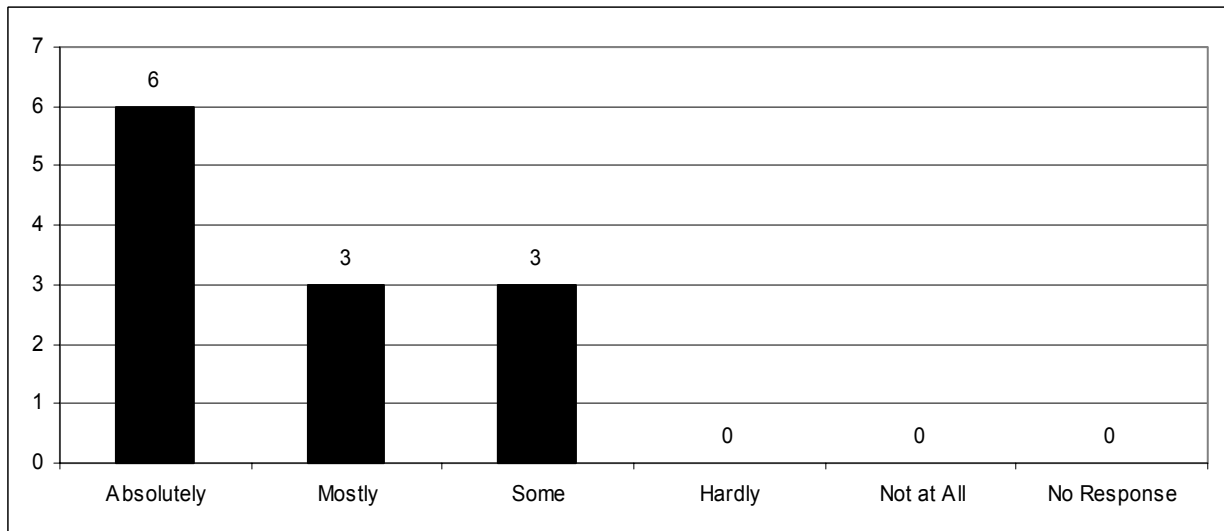

2. Explore the use of power in client-centered care.

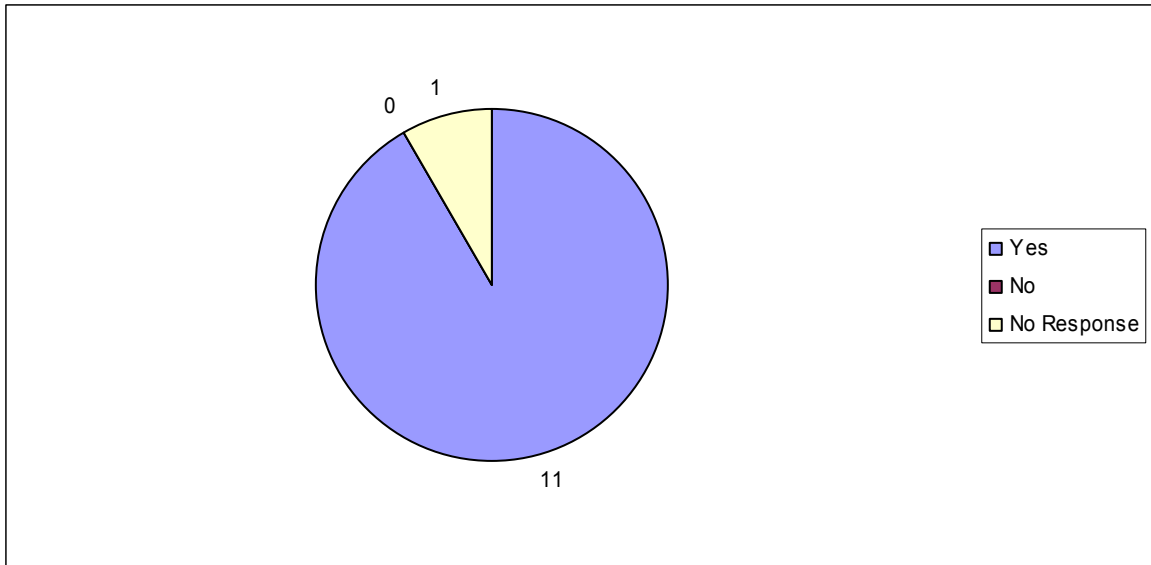

3. Review a framework for effective cross-cultural care.

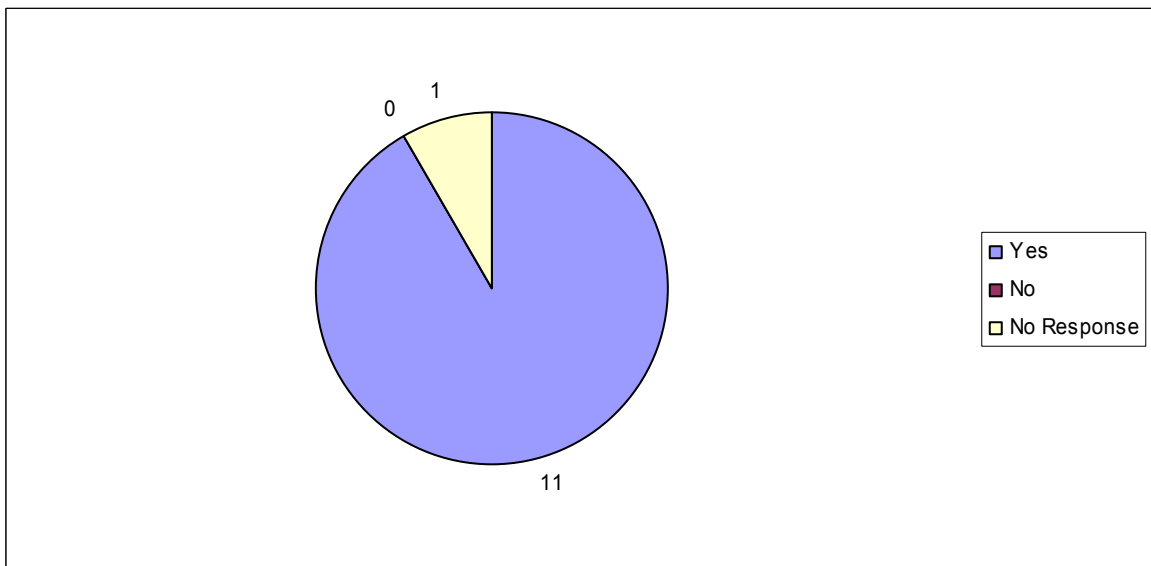

4. Discuss ways that cultural competency skills can enhance strengths-based assessments and care planning.

Would you recommend this training to others?

Has this training resulted in you wanting to know more about this topic?

What were the best aspects of today's training?

- **Interactiveness; CAR activity; discussion**
- **Respectful – informative**
- **Susan is fantastic! Great listener, very respectful of participants**
- **Being a minority, learning how the dominant society perceives**
- **Informality**
- **New idea of getting kids to open up**
- **The exercise was excellent**
- **Ideas given in the class**
- **Most everything**
- **Group interactions**

What is the one action you intend to take as a result of this training?

- **More power sharing**
- **Use a CAR like activity in classroom**
- **Staff discussion**
- **Learning from others by listening to teens**
- **The butterfly picture**
- **Respect for all**
- **Sharing the information**
- **Keep an open mind**
- **More training**
- **To talk about the simplicity of truly diverse thinking back at my organization.**

How could today's training have been improved?

- **2 hours not 1.5**
- **Great**
- **Allow more time – not enough time allowed**
- **None**

Other comments and/or suggestions?

- **You used the term “black and white.” I have an African American friend that told me this really bothered her and her culture when used.**
- **Keep up the good work! We need to hear more about this!**
- **Maybe more time.**
