4. Learn about at least 1 evidence based practice

Would you recommend this training to others?

Has this training resulted in you wanting to know more about this topic?

What were the best aspects of today's training?

- **Learned of new resources**
- **Getting more info**
- **Alan Miller**
- **Very informative**
- **Overview of access DHW CMH model & eligibility requirements for JJ county CMH money**
- **Information**
- **Good collaboration**
- **All the information given**
- **Possible useful information**
- **Knowing more programs coming out**
- **Chris – Ada County**
- **Whole**
- **Better understanding of JJCMH**
- **Learning about resources**
- **Spreading info about money to access for children**
- **JJC / CMH collaboration**
- **A simpler graphic of the CMH Work Group Initiatives. The tool you handed out is good but considers the top line of categories being presented on a continuum From mild to severe to healing to aftercare**
- **Learning about a new program to help juvenile offenders**
- **Learning about all the different services that are available to the public**
- **Good to know the direction being taken by juvenile justice and CMH collaboratively**
- **Variety of speakers**
- **Panel – Multiple perspectives modeling collaboration**

What is the one action you intend to take as a result of this training?

- **Referrals for families**
- **Find our more information**
- **Getting more info**
- **The information gathered after the workshop**
- **Inform community**
- **Advocacy for continuation of the JJ CMH programs and funds**
- **Interested in Bob Balls Transitional Program**
- **Pamphlets**
- **Find out more**
- **Look more into the program**
- **To learn more about it**

- **Meet with county juvenile probation and work more collaboratively with them**
- **Find out more about Intervention Specialist program**
- **More understanding of this topic**
- **Better understanding of JJCMH**
- **Informing families of money available to assist**
- **Informing parents of funds available**

How could today's training have been improved?

- **More specific problem solving discussions**
- **More time allowed to speakers**
- **I think they all did great**
- **Microphones or louder speakers**
- **Having a youth/family panel of consumers of these services**
- **If it had addressed training objectives**
- **Presenters need to remember they are not just talking to professionals – plain English would have been helpful. The last speaker did quite well**
- **More time for speakers**
- **Difficult to hear**
- **None at this time**
- **Presentation goals were transposed from another workshop**

Other comments and/or suggestions?

- **Would have liked a list of the panel with names – who represented which region**
- **Great job**
- **I'm guardian/parent of child on probation, SED and Developmental Disability wrap around and have trouble with finding some services in mountain home**
- **Let the people in the room (the audience) do more sharing of their challenges and situations and then to have the panel add insights and practical help**
- **None**
