

# “Suicide Prevention: A Community Based Approach”

Mark Lopshire, MA, MEd

April 30, 2007

Attended: 22

Number of Evaluations: 18

## Summary of Individual Workshop Evaluations

### Training Objectives:

Participants will:

#### 1. Better understand the “suicide continuum” or timeline

#### 2. Gain a working knowledge of effective community systems of care as they relate to suicide prevention

### 3. Reduce suicides through effective education, identification, intervention and treatment programs

**Would you recommend this training to others?**

**Has this training resulted in you wanting to know more about this topic?**

**What were the best aspects of today's training?**
