

**“Why Ethics”**

**Patty Gregory and Carla Dvoracek**

**April 30, 2007**

**Attended: 48**

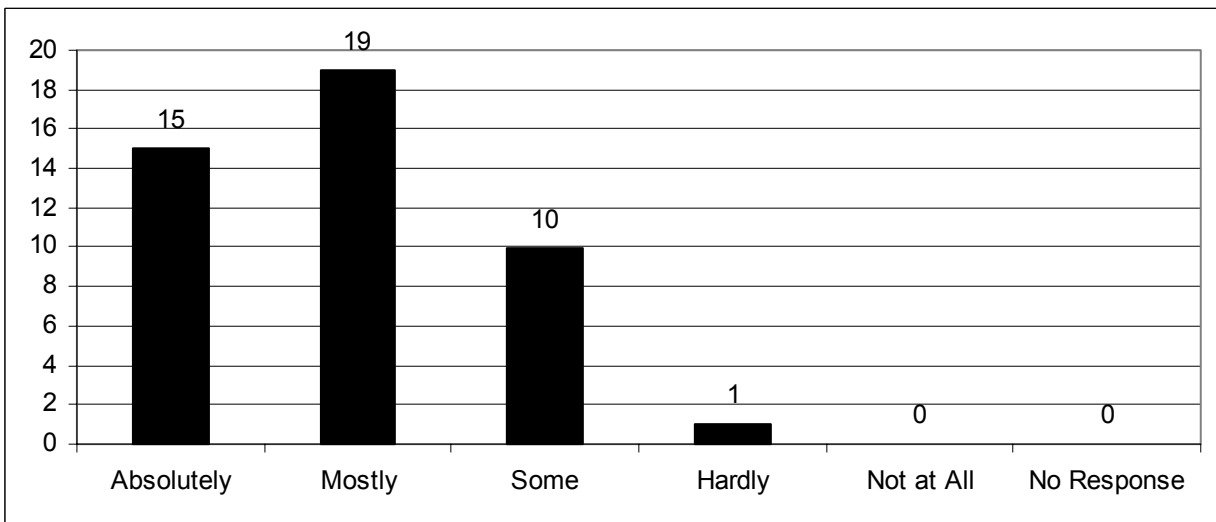

**Number of Evaluations: 45**

**Summary of Individual Workshop Evaluations**

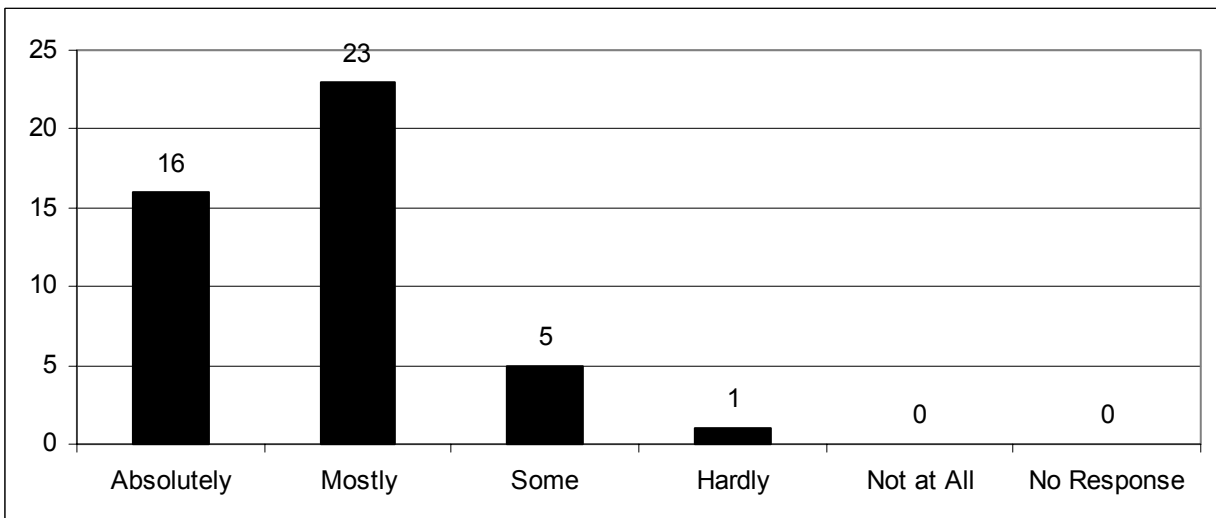

**Training Objectives:**

Participants will:

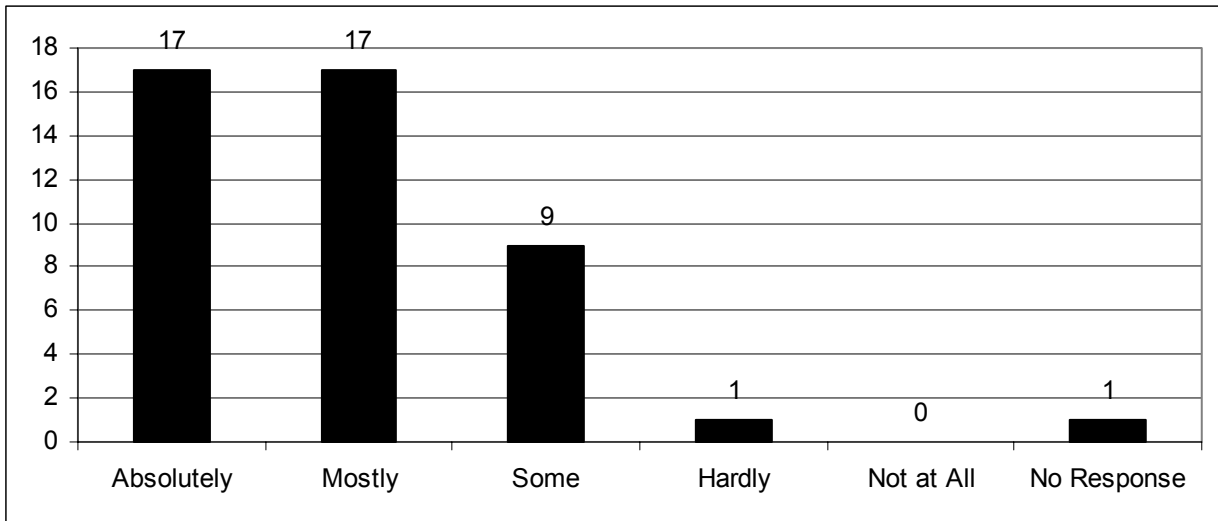

**1. Clarify the role of ethics and ethical behavior in service to children.**

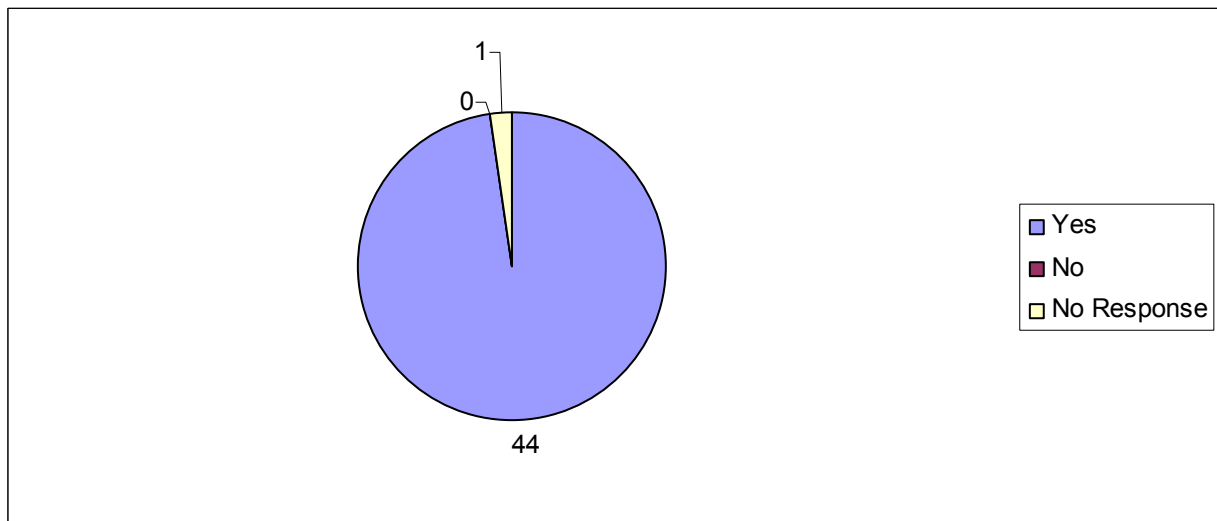

**2. Understand the interplay of personal, professional and practice values in relationship to ethical decision making.**

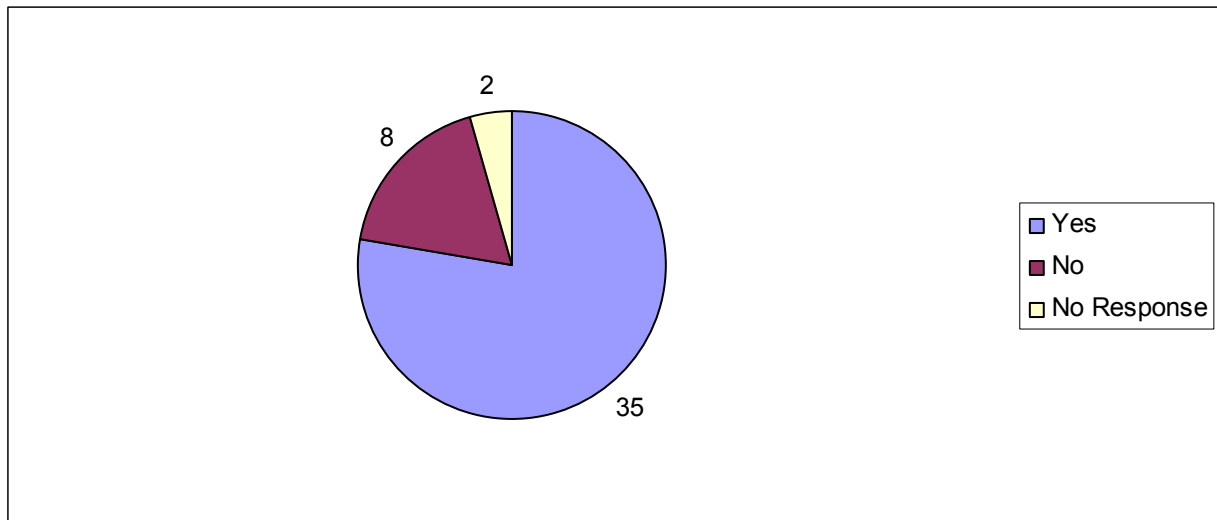

**3. Clarify individual professional ethical responsibilities to facilitate the practice of ethical decision making through the use of tools.**

**Would you recommend this training to others?**

## Has this training resulted in you wanting to know more about this topic?

### What were the best aspects of today's training?

- Clear ethical guidelines
- Interactive approach
- Group process
- The pyramid resolution for ethical dilemmas
- Problem solving
- Practical work
- Group activity
- Review and group discussion
- New model
- Case studies
- The training helped me refocus
- Ethic decision meeting
- Ethical decision making
- Learning about ethics
- Case study
- Groups
- Exercise
- Instructors were well prepared
- Applying methods to a case study
- The group process
- Group activity
- Case study
- The hands on stuff
- Review of SW ethics

- **Group discussion**
- **Visuals and group participation**
- **Triangle**
- **The practice; discovery of facts and self correcting principles**
- **The hierarchy of decision making tool you presented**
- **Pyramid – defining a process**
- **Doing the case study**
- **Interactive process**
- **Application**
- **The case plans**
- **The hands on approach to problem solving using ethics as the foundation**
- **Refresher of SW ethics**
- **Decision making triangle**
- **Structure and exercise and discussion**

**What is the one action you intend to take as a result of this training?**

- **Think clearly when ethical decisions arise**
- **Review code**
- **To apply the pyramid resolution to personal practice**
- **More study**
- **Present at staff meeting**
- **Review more and share**
- **Reread the code of ethics on a regular basis**
- **Process dilemmas with others**
- **Reread the NASW Code of Ethics**
- **To do a lot more studying on every aspect of the right and wrong**
- **Clarify role of ethics**
- **Learning more and understanding more about ethics**
- **Review my own practice and to improve my own ethical decision making**
- **Read codes**
- **Use the pyramid tool in decision making process in work environment not dealing with direct client contact**
- **Pull out my code of ethics more often – regularly use it in decision-making**
- **Process**
- **Make a chart for use with cases**
- **To follow the decision making process**
- **More systematic approach to ethical problems**
- **Read SW ethics**
- **Learn more**
- **Hierarchy of group process**
- **Triangle**
- **Think at applications**
- **Use the tool more often**
- **Read ethics more**

- **Review ethics**
- **Make use of the tool in staffing**
- **To use the NASW more on a daily basis for decision making**
- **I will use the pyramid approach**
- **Staffings – working through the process (slower)**
- **Get a bigger copy of triangle**
- **Use the format**

#### **How could today's training have been improved?**

- **Triangle was a little confusing as there was some lack of information on case studies**
- **More aware of ethics**
- **Did great but maybe go into more detail of code of ethics**
- **Discussion of some of the ethical problems people brought up that they are currently having**
- **Longer**
- **More cultural components (diversity)**
- **More conversation**
- **More time**
- **Two hours to meet SW requirements**
- **More research**
- **Enlarge print size on handouts**
- **It was short and to the point – good**
- **A little longer**
- **Make people change tables**
- **One to take with us!!**
- **Louder**
- **Active audience intro**
- **The triangle tool make bigger**
- **Use more time to discuss the finished studies of each group**
- **It was fine**
- **More time**
- **Larger copy of decision making triangle**
- **A bit longer**

#### **Other comments and/or suggestions?**

- **They make assumptions that most were licensed social workers which was not necessarily true**
- **I needed my own copy of the case study so I could reread it as necessary and I did not, we all should have had one.**
- **Thanks**
- **Thanks!**

- **Good job**
- **Great job**
- **Great**
- **Prepared, organized and valuable topic. Interesting presenters**
